

The Art of Golf

A masterpiece by

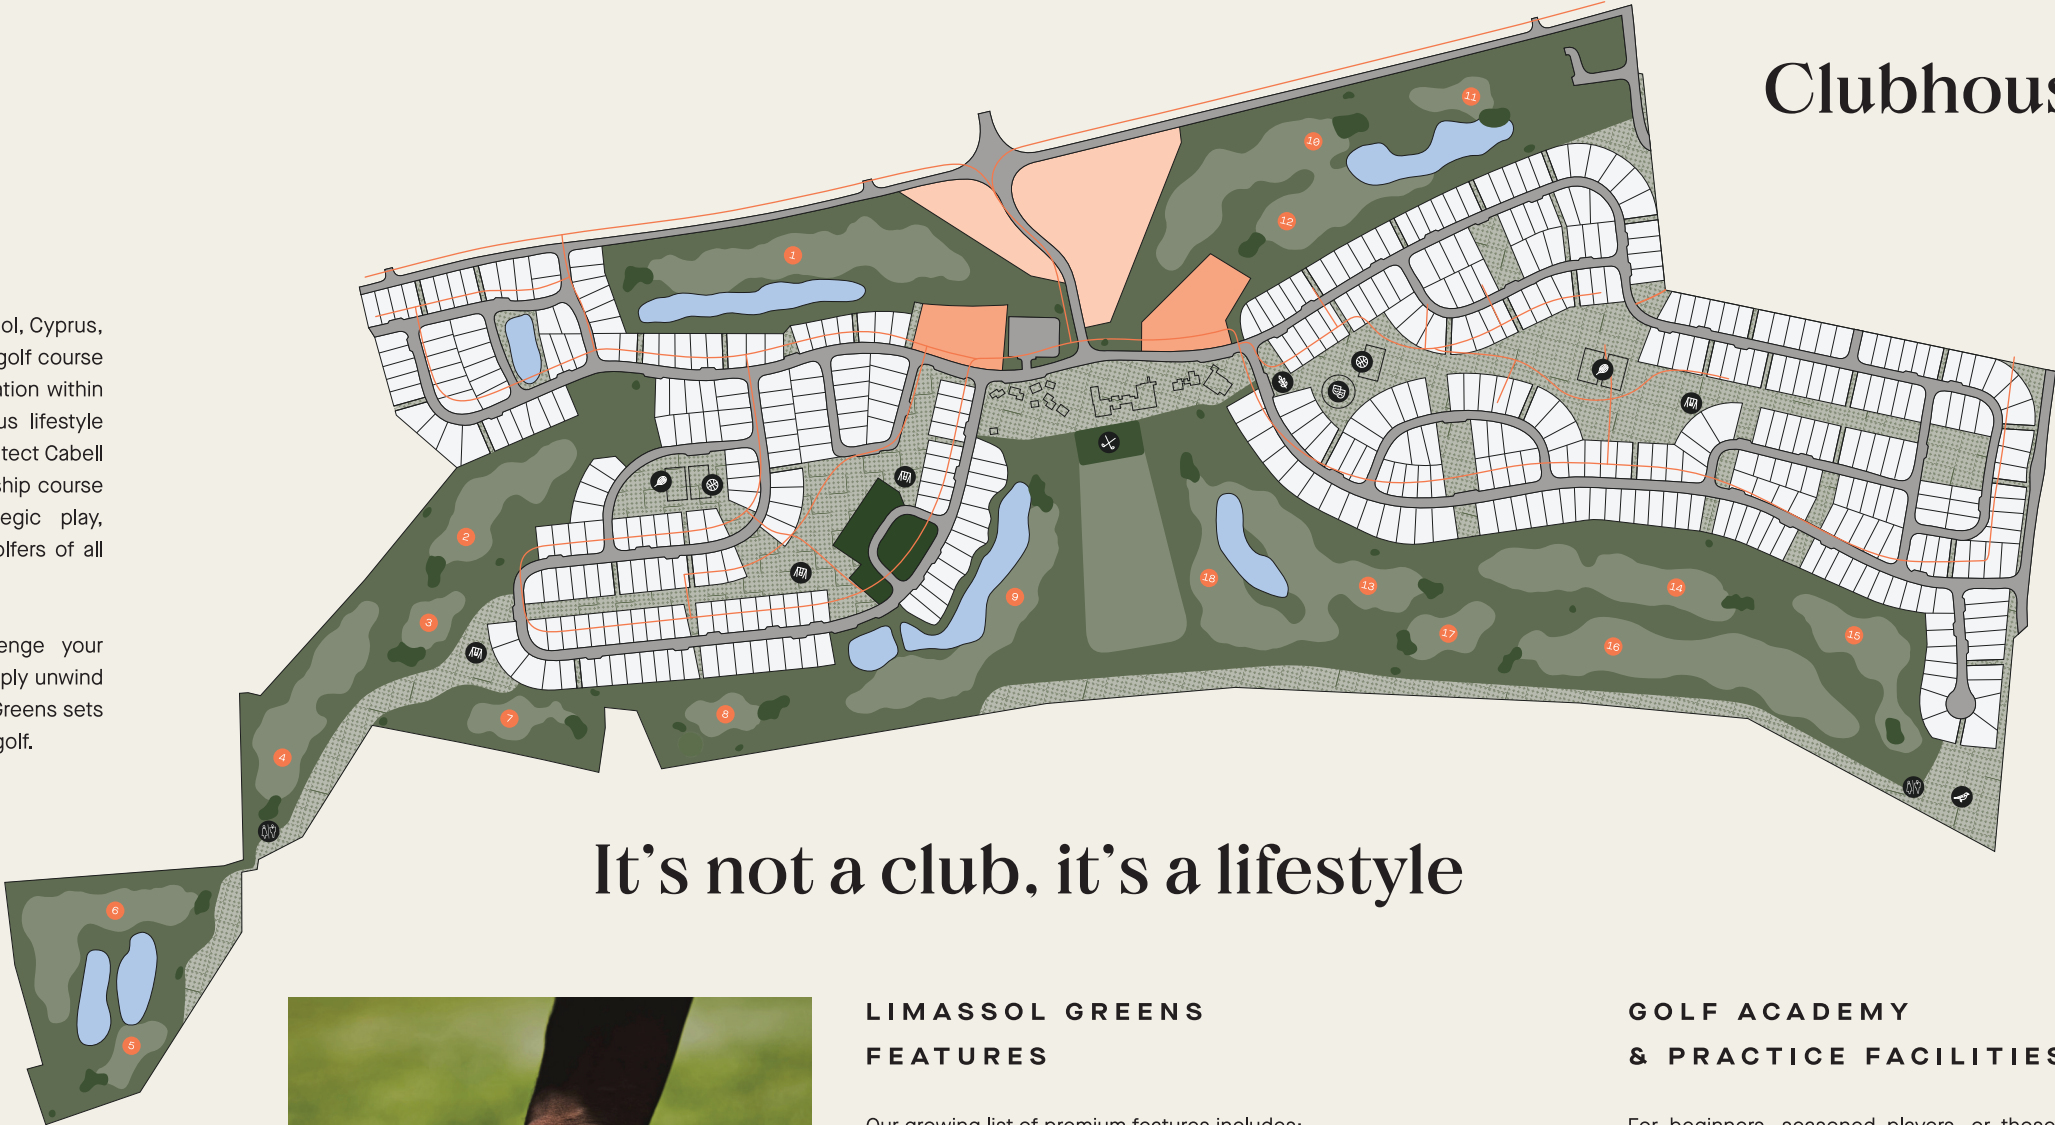

CABELL B. ROBINSON

Crafted by one of the most respected golf course architects in Europe, the Limassol Greens course takes full advantage of Cyprus' natural topography and views. With undulating fairways, strategically placed bunkers, and immaculate greens, the par 71 layout offers a rewarding challenge across 6,304 metres of championship play.

REDEFINED IN THE MEDITERRANEAN

Nestled in the vibrant heart of Limassol, Cyprus, Limassol Greens is more than just a golf course — it's a world-class sporting destination within one of the island's most prestigious lifestyle resorts. Designed by renowned architect Cabell B. Robinson, the 18-hole championship course blends natural beauty with strategic play, offering a unique experience for golfers of all levels.

Whether you're looking to challenge your handicap, perfect your swing, or simply unwind in luxurious surroundings, Limassol Greens sets a new benchmark in Mediterranean golf.

It's not a club, it's a lifestyle

Life. IN FULL swing

Limassol Greens seamlessly blends sophisticated residential living with world-class golf and recreational facilities, offering an unparalleled lifestyle experience. Nestled within the grounds of a historic, family-owned citrus farm that dates back to the 1930s, Limassol Greens is strategically positioned just minutes from the vibrant city of Limassol. With two international airports within a 35-minute drive and just five minutes from the largest integrated casino resort in the Mediterranean and Lady's Mile beach, Limassol Greens is the perfect blend of city and nature.

The development presents a diverse selection of residences, from contemporary villas with private pools to stylish apartments with panoramic views. Each home is designed with meticulous attention to detail, incorporating high-end finishes, open-plan layouts, and expansive outdoor spaces that invite natural light and fresh air.

Beyond golf, the resort will feature an extensive array of lifestyle amenities, including a wellness centre, sports facilities, and dining options. Residents and visitors will indulge in rejuvenating spa treatments, fitness programs, and outdoor activities that embrace the island's year-round sunshine.
